Dave and Vernett, we have a controlled correspondence to the Mayor of Honolulu (on behalf of TOA-1 and S-1) due to you on Wednesday the 24th. The Mayor will be meeting with Peter Rogoff here in DC on the 26th.

Should we try to get an expedited letter to the Mayor, signed by Peter, today or tomorrow, via fax (indicating that Peter is looking forward to the meeting on Friday), or should we hold off and send a response after the meeting on the 26th?
Susan

Susan:

Yes. Last Thursday, I learned from Toru and passed on to you in an e-mail message that the mayor is planning to meet with the administrator this Friday, Feb. 26. Toru and one or two councilmembers (Apo and perhaps Anderson) will be with the mayor.

The controlled correspondence consists of two letters from the mayor, one to the administrator and one to the secretary, thanking them for (1) their friendly meeting with the mayor earlier this month, (2) the inclusion of the Honolulu project in the FY11 budget, and (3) the administrator's supportive statements about the project in the roll-out media conference call.

I'm not clear on what we should include in a reply to this thank-you letter -- particularly because the mayor is likely to see the administrator again before he sees any letter of reply. I suppose that we could focus on one or two statements in the mayor's letter that may merit FTA clarification -- that the budget recommendations "demonstrates the level of confidence that you have for our project at this phase and validates the sufficiency of the financial plan to move forward."

Please advise.

Jim

Isn't the Mayor coming here sometime in the next few days?

Subject: Honolulu Control Correspondence

Hi Jim

We received the attached control correspondence on Honolulu today and need a response drafted for Peter's signature (with TPE mgmt approval) by Wednesday. Control Correspondence responses are saved on the O:drive at O:\TPE\TPE-22\Controlled Correspondence\Region 9

Thanks,
Beth
